Commissioner for Patents

The reply filed on 11/19/2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant's amendment and remarks are not corresponding to the context found in the previous office action that was issued by this examiner on June 27, 2003. For instance, applicant's amendment which is directed to the correction of the informality(i.e.missing part of disclosure) is irrelevant to the rejections recited in the previous office action. Furthermore, applicant's argument found in remarks is mentioning Priebe(US 5625043) or Piazzqa(US5858694). However, these references are not cited nor found in the previous office action issued by this examiner. There is no such objection or rejection made in the previous office action, which is corresponded to the applicant's response. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
